Sub:- Implementation of Samarth e-Governance Platform for School Education in Goa.

The Ministry of Education, Government of India, has approved the implementation of the Samarth e-Governance platform for school education in Goa.

This platform is part of the broader vision to achieve "Viksit Goa" and "Digital India", by leveraging technology to improve the efficiency, transparency, and overall quality of educational administration. This project is being fully funded by the **Ministry of Education**, Government of India, as part of their commitment to advancing digital governance in education.

The Government of Goa has approved this initiative under the **Goa State Higher Education Council (GSHEC)**. To facilitate the successful implementation of this project, a dedicated "**Goa State Samarth e-Governance Project Unit**" has been established by the Chairman of GSHEC, which will oversee the project and offer technical support to all participating schools.

This Unit (School Education Section) will be visiting the schools as per the Annexure (selected group of schools identified for the pilot phase) in February 2025. The primary objective of this visit is to formalize the collaboration through the signing of a Memorandum of Understanding (MoU) between the Government of Goa and SAMARTH e-Governance Delhi, thereby laying the groundwork for the structured adoption of the Samarth platform in schools.

During these visits, the team will engage with school administrators, teachers, and other stakeholders to conduct an in-depth assessment of their existing systems, operational workflows, and key challenges. The gathered insights will help in tailoring the Samarth platform to effectively address the specific needs of schools in Goa.

In this regard, you are requested to co-ordinate with SAMARTH e-Governance team.

(Shailesh R. Sinai Zingde)
Director of Education

Encl:- Annexure I, II & III

To,

The Heads of the School(s) as per the Annexure I, II & III
